

SUMMER EATS

FREE MEALS FOR KIDS & TEENS

Free Summer Meal Locations for Children

Below is a list of all locations where we're offering free meals for children this summer. Some sites offer daily meals, while others provide weekly food boxes.

Important Notes:

- Children cannot receive both daily meals and weekly food boxes — please choose one.
- For food box locations, children must be present at the first pickup to be eligible.
- After the first pickup, parents or guardians may pick up boxes without the child being present.

Please help us make sure no child goes without meals this summer.
